Subject: Pre Express pipeline and Row closing requirements

Daniel and Hagan- Daniel, I will need a letter from you and Hagan authorizing me to sign all closing documents(For Blackduck) on the purchase of Express Pipeline.

Daniel-At the time of closing, krisjenn Ranch LLC, will be owed \$5,000,000 plus interest before any profits will be distributed. I will need a letter from you understanding and agreeing to this to put into the Corporate Minutes of Blackduck Resources.

Also, because you are good at this and understand our Journey, Please put a 3rd letter together for the Corporate minutes of Blackduck Resources. Please spell out our deal as you understand it -that involves Foryx:

Something like this:

1. Krisjenn Ranch 50%
2. Daniel Moores entity 35%
3. Darren Borders 15%

I would also agree to the above terms to any other deal that you bring to the table. FYI -Your entity that owns 50% of Blackduck is now listed as Inactive in Texas. You should file the appropriate reports to get it activated or we can put a new entity there or just you personally. We need to be up to date before I close.

If Foryx(Joes Deal) fails to close(The deal I want to close) 😞😞. Then, What would be the fair ownership of Krisjenn Ranch in this project with Blackduck to move forward with other buyers?

Guys-I'm just trying to get ahead of the curve ball before the closing on August 14.

Ty,
Larry
